

# Reliable Background Screening Celebrates 35 Years of Trusted Service in the Consumer Reporting Industry

*Celebrating 35 years of trusted, FCRA-compliant background screening with a focus on innovation, compliance, and client service.*

SCOTTSDALE, AZ, UNITED STATES, June 18, 2025 /EINPresswire.com/ -- Reliable Background Screening proudly marks its 35th anniversary as a leader in the consumer reporting industry, celebrating more than three decades of unwavering commitment to compliance, innovation, and client-focused [background screening services](#).

Founded in 1990, Reliable has remained a stable and self-funded company in an ever-evolving industry. This independence has allowed the organization to stay true to its core values while adapting quickly to regulatory changes and client needs. Over the past 35 years, Reliable has built a reputation for excellence by delivering accurate, FCRA-compliant background screening solutions with a personal touch.

"Longevity in this space speaks volumes," said Rudy Troisi, Founder and CEO at Reliable Background Screening. "Our growth and resilience stem from our strong foundation in compliance, a deep commitment to client service, and the innovative technologies we continue to develop."

Reliable's success is supported by a team of highly experienced professionals, all of whom receive FCRA certification, ensuring that clients receive not only accurate and timely reports, but also trusted guidance on best practices and regulatory compliance. This expertise has helped drive the company's consecutive year-over-year growth for the past nine plus years.

A hallmark of Reliable's forward-thinking approach is its electronic forms (e-forms) solution, which streamlines the background check process, reviews identification of candidates, improves data accuracy, and enhances the applicant experience—all while ensuring strict adherence to

legal and industry standards.

As Reliable looks to the future, it remains committed to delivering peace of mind through trustworthy background screening services for thousands of businesses, property managers, membership organizations, and more.
