A ninja-themed fragrance crafting experience will be held from July 19 to August 31

AWAJI CITY, HYOGO PREFECTURE,
JAPAN, June 16, 2025

/EINPresswire.com/ -- The popular NARUTO & BORUTO Shinobi-Zato attraction at anime theme park [Nijigen no Mori](#), located within Hyogo Prefectural Awaji Island Park, will hold a limited-time summer Fragrance Crafting Experience from July 19 (Sat) to August 31 (Sun), 2025. The event will take place on Awaji Island, the largest producer of traditional Japanese incense sticks in Japan.

During the event, participants will have the opportunity to combine fragrances, essential oils, and dyes in molds to create their own unique aroma. There are three types of molds available: the Hidden Leaf Village mark, the Uchiha Clan crest, and the Akatsuki mark—each unique to the ninja-themed NARUTO & BORUTO Shinobi-Zato attraction. After creating a custom scent, participants can shape it in their selected mold and take home their custom incense as a sensory memento of their time in Awaji Island, renowned for its Japanese incense production.
