"The imagination is like a wild playground where anything is possible. I love diving into new worlds that stretch beyond the limits of reality. Through my books, I want readers to feel they can become anyone, be anything, and explore places they've never even dreamed of. That's the magic of storytelling: it's a passport to endless adventure and self-discovery," Hodge exclaims.

In *A Sea of Secrets*, death stalks the Halls of Ascension as Fallon Auger, daughter of House Jupiter, races to capture a murderer who slipped through their grasp, with one final trial standing between her and freedom for Terrulia. Amidst dark magic, blood, and betrayal, she leans on four fiercely loyal allies who hold her bleeding heart together, ready to face monsters and enemies alike in a relentless pursuit of justice and revenge.

The Terrulian Trials series is a unique blend of urban fantasy and Why Choose storytelling, featuring multiple first-person points of view, enemies-to-lovers romances, and a high-stakes academy setting. Fans of *Zodiac Academy*, *The Hunger Games*, and *The Bonds That Tie* will find a thrilling mix of humor, brutality, and steamy passion in this bold and addictive series.

The series begins with *A Sky of Storms*, where the daughter of House Jupiter fights to claim the throne in a deadly competition filled with political intrigue and romantic tension. *A Forest of Fire* raises the stakes with murder, blackmail, and firestorm disasters. Now, *A Sea of Secrets* brings the action to a fever pitch, setting the stage for an unforgettable climax.
