

Lazer Logistics Acquires GATT Yard Spotting Services, Marking 12th Strategic Acquisition

This acquisition adds 10 sites across six states and introduces Lazer into two new cities, reinforcing its position in the Southeast and Midwest.

ALPHARETTA, GA, UNITED STATES, June 16, 2025 /EINPresswire.com/ -- Lazer Logistics, North America's most trusted provider of outsourced yard management services, announced today its acquisition of GATT Yard Spotting Services. This marks Lazer's 12th acquisition and a continued execution of its growth strategy to expand service density and geographic reach across the U.S.

Lazer Logistics' comprehensive yard logistics services bring efficiency, visibility, and unification to critical parts of the supply chain, including Spotting, Shuttle, YMS, EV, Trailer, Drayage, and Gate.

The acquisition strengthens Lazer's operational footprint, adding 10 sites across six states, Florida, Georgia, Indiana, Mississippi, North Carolina, and Virginia, reinforcing its position as the dominant yard logistics provider in the Southeast and Midwest. The deal also introduces Lazer into two new cities: West Palm Beach, FL, and Roanoke, VA, further extending its network of service locations.

“

With this milestone, we continue to execute on our mission to create the most reliable, efficient, and innovative yard operations network in North America.”

*aiAdam Newsome, CEO of
Lazer Logistics*

“We are excited to welcome the GATT team to Lazer,” said Adam Newsome, CEO of Lazer Logistics. “This acquisition deepens our presence in key markets and expands our ability to deliver consistent, high-quality yard management

solutions across an even broader footprint. With this milestone, we continue to execute on our mission to create the most reliable, efficient, and innovative yard operations network in North America.”

As with all Lazer acquisitions, the integration will focus on preserving customer continuity while enhancing operational capabilities through Lazer's industry-leading technology, safety standards, and service model.

With this transaction, Lazer continues to build on its reputation as the go-to partner for companies seeking scalable, outsourced solutions at critical transition points in their supply chains.
