The city invites residents to share their memories and stories about what parks and recreation mean to them. There are plenty of ways to celebrate with the city all month long, including a city-wide scavenger hunt, a hole-in-one contest at the golf center, a recipe of the week at the fitness center and baseball tournaments at the Sportsplex.

This month is dedicated to recognizing and celebrating the more than 160,000 full-time park and recreation professionals — along with hundreds of thousands of part-time and seasonal workers and volunteers — who maintain our country's local, state and community parks.

"I've participated in Park and Recreation Month for 20-plus years, and I look forward to my second year here in Orange Beach," said Nicole Ard, Director of Parks and Recreation for the City of Orange Beach. "This is one of my favorite times of the year. It's always busy, but it highlights how vital parks and recreation are for a successful community. With the full support of our city leaders, I'm thrilled to offer a range of family-friendly events for Orange Beach residents throughout July, and excited to see our fantastic Parks and Rec team shine all month long.
