

Meridian Knowledge Solutions Teams with BizLibrary to Embed Thousands of Courses for Government & Enterprise

Meridian Knowledge Solutions partners with BizLibrary to embed thousands of courses into its LMS, delivering turnkey content for government and enterprises.

ARLINGTON, VA, UNITED STATES, June 17, 2025 /EINPresswire.com/ -- Meridian Knowledge Solutions ("Meridian"), a leader in enterprise learning management and managed services, today announced a strategic partnership with BizLibrary®, a premier provider of on-demand video learning resources. This collaboration embeds BizLibrary's extensive catalog directly within the Meridian LMS, empowering state and local government (SLG), federal agencies, and commercial extended-enterprise clients with turnkey content and platform in a single, unified solution.

Why Meridian Chose BizLibrary

Demonstrated Market Demand: Recent RFPs and sales opportunities highlighted the need for embedded, turnkey content to complement Meridian's advanced LMS capabilities in our core SLG, federal, and commercial markets.

Breadth and Quality of Content: BizLibrary's library of 10,000+ titles—comprising both proprietary courses and aggregated content from leading third-party providers—ensures clients have access to the latest compliance, leadership, technical, and soft-skills training.

Tailored Government Offering: In collaboration with Meridian, BizLibrary developed a focused suite of 300 government-specific titles designed to address up to 80% of typical agency training needs at an exceptionally competitive price point.

"The Meridian platform, enhanced by BizLibrary's diverse and high-quality training materials, provides organizations with a powerful tool to scale learning programs, stay compliant, and adopt microlearning strategies for greater engagement." - Paul Myslenski, SVP Sales and Marketing

Josh Burt, BizLibrary's Head of Partnerships and Channel Alliances (jburt@bizlibrary.com): "We're excited to partner with Meridian Knowledge Solutions to offer our content within their powerful learning management system. This collaboration ensures that organizations can leverage high-impact, easily accessible training materials to foster a culture of continuous improvement and

employee growth.”
