

INTOO Well-Being Masterclass Awarded Gold GLOBEE®

*Company's Peak Performance
Masterclass Wins in 10th Annual
Globee® Awards for Achievement*

LOS ANGELES, CA, UNITED STATES, June 17, 2025 /EINPresswire.com/ -- INTOO is proud to announce that it has been named a winner of a Gold Award at the 10th Annual GLOBEE® Awards for Achievement, a distinguished program honoring outstanding achievements in business by companies based in the United States. The [Peak Performance Masterclass](#) for Leaders was recognized in the category of Workplace Well-Being Solutions.

The GLOBEE® Awards for Achievement celebrate organizations and teams demonstrating exceptional results, leadership, innovation, and impact across various business functions and industries. This recognition underscores INTOO's commitment to excellence and continued success in [leadership development](#).

The Peak Performance Masterclass, led by executive coach Eric Reiners, combines learnings from the latest neuroscience and sports science to help leaders develop sustained focus and productivity while increasing enjoyment of work. INTOO has had 1,152 class registrations from 52 countries, with 96% rating the session as "excellent" or "very good." In addition, 81% of participants reported that their engagement with their employer increased because of the session.

"We're honored to see the Peak Performance Masterclass recognized for the powerful impact it has on leaders around the world," said Mira Greenland, INTOO's Chief Revenue Officer. "By

Gold Award Winner of 2025 GLOBEE Awards for Achievement

blending practical neuroscience with proven performance strategies, the Masterclass reflects what we aim for in all of our leadership and [career development](#) programming: learning experiences that not only inspire and motivate but also deliver meaningful, measurable results.”

“The 2025 winners of the Globee® Awards for Achievement reflect globally recognized standards of business success,” said San Madan, President of the Globee® Awards. “Their accomplishments highlight the impact of strategic leadership, innovation, and operational excellence.”
