

# Yanbu Hosts 9th AIM – FRP & CUI 2025 Following Breakthrough February Workshop

*Industry experts to convene in Yanbu to explore innovations in FRP and CUI for enhanced asset integrity and safety.*

RIYADH, RIYADH, SAUDI ARABIA, June 17, 2025 /EINPresswire.com/ -- Cogent Solutions is pleased to announce the 9th edition of the [Asset Integrity & Corrosion Management Conference & Exhibition – FRP & CUI Innovations](#), scheduled to take place on the 1st and 2nd of October 2025 in Yanbu, Kingdom of Saudi Arabia.

Building on the overwhelming success of the 7th Asset Integrity & Corrosion Management Conference, held earlier this year in Yanbu on 24th and 25th February 2025, this upcoming edition will delve deeper into specialized topics related to Corrosion Under Insulation (CUI) and Fiber-Reinforced Plastics (FRP) — two critical areas impacting asset integrity across multiple sectors.

This focused event will bring together senior decision-makers, engineers, regulators, and technology leaders from the [oil & gas](#), petrochemical, power, and infrastructure sectors to address emerging challenges and showcase the latest technologies and best practices in asset protection and performance optimization.

Interactive panel discussion on the future of asset integrity strategies in oil, gas, and industrial sectors - 8th Asset Integrity & Corrosion Management Conference

Conference kickoff in Doha – setting the tone for two days of insights and innovation.

### Event Highlights:

In-depth technical sessions led by global experts

Live case studies and practical insights

Exhibition of next-generation FRP and CUI technologies

Interactive panel discussions and networking opportunities with 200+ industry professionals

With Saudi Arabia's strategic emphasis on infrastructure longevity and industrial safety, the conference continues to serve as a vital knowledge-sharing and networking platform for professionals responsible for safeguarding critical assets.
