"Lang has a long-standing commitment to
supporting local families and education," said Scott
Agran, President of Lang Realty. "This initiative is one way we can help ensure every student
starts the school year with the tools they need to succeed."

In addition to collecting donations, Lang employees will volunteer at the Red Apple Supplies resource store following the drive, helping to pack, sort, and organize supplies for distribution to area teachers and classrooms.

"We're proud to have our team actively involved, not just in collecting supplies, but in making sure they reach the hands of those who need them most," said Kevin Carroll, President & CEO of Lang Management. "This kind of hands-on community service reflects our company values and our shared belief that every child deserves a strong start."
