

Inc. Names Creatio to 2025 Best Workplaces List

Creatio is recognized for its commitment to employee wellbeing, strong culture, and values-driven leadership

BOSTON, MA, UNITED STATES, June 17, 2025 /EINPresswire.com/ -- [Creatio](#), global vendor of an AI-native platform to automate CRM and workflows with no-code, is proud to announce it has been named to Inc.'s 2025 Best Workplaces list, recognizing the company as one of the top organizations committed to employee wellbeing, strong workplace culture, and values-driven leadership.

This year's list, featured on [Inc.com](#), highlights American companies with outstanding workplace cultures, both in-person and remote. Each company was also evaluated based on its benefits to determine its overall score and ranking.

Creatio firmly believes that its employees are its greatest asset and the driving force behind its success. The company is dedicated to fostering a workplace culture where individuals can thrive, unlock their full potential, and contribute meaningfully to a greater purpose. At the heart of Creatio's philosophy are five core values: one team, genuine care, passion, striving for excellence, and continuous growth. These values guide Creatio's efforts to cultivate a progressive, inclusive, and innovative environment where employees feel encouraged to make a lasting impact.

"At Creatio, genuine care is more than a value—it's the way we lead, collaborate, and support one another, and it extends to every person we work with. It's how we build trust with our team, show up for our customers and partners, and create meaningful relationships across the board. This recognition is deeply meaningful because it reflects the culture we've nurtured together—one rooted in empathy, purpose, and a shared commitment to helping each other grow," said Katherine Kostereva, CEO of Creatio.

"Inc.'s Best Workplaces program celebrates the exceptional organizations whose workplace

cultures address their employees' welfare and needs in meaningful ways," says Bonny Ghosh, editorial director at Inc. "As companies expand and adapt to changing economic forces, maintaining such a culture is no small feat. Yet these honorees have not only achieved it—they continue to elevate the employee experience through thoughtful benefits, engagement, and a deep commitment to their teams."
