flynas was crowned with the global ranking during the annual Skytrax Awards ceremony, held on the sidelines of the Paris International Air Show and attended by leaders and experts in the aviation industry in the world.

“

This achievement reflects the Kingdom's leadership in the aviation industry and our dedication to delivering a high-quality travel experience to our valued guests”

Bander Almohanna, CEO and Managing Director of flynas

This achievement highlights flynas' continued leadership in the low-cost aviation sector across the Middle East and worldwide. It contributes to consolidating Saudi Arabia's position as a global hub for the travel and tourism industries. Moreover, it reflects the airline's ongoing commitment to excellence while balancing growth and profitability, as outlined in flynas' growth and expansion plan and in alignment with the goals of Saudi Vision 2030

and the National Civil Aviation Strategy.

Commenting on the global recognition, Bander Almohanna, CEO of flynas, said: "We take great pride in being ranked the top low-cost airline in the Middle East for the eighth consecutive year and among the top 10 low-cost airlines worldwide. This achievement reflects the Kingdom's leadership in the aviation industry and our dedication to delivering a high-quality travel experience to our valued guests."

"This recognition is the result of our team's hard work and dedication and the great support we receive from our wise leadership. It strengthens our ambition to continue expanding according to our growth and expansion plan launched under the slogan 'We Connect the World to the Kingdom,' Almohanna added.

The Skytrax World Airline Awards are determined every year through an extensive customer satisfaction survey involving millions of travelers from around the globe. This comprehensive methodology ensures the awards are among the most trusted and influential honors in the aviation industry.

flynas operates 139 routes to more than 70 domestic and international destinations in 30 countries with more than 2000 weekly flights and has flown more than 80 million passengers since its launch in 2007, with the aim to reach 165 domestic and international destinations within its growth and expansion plan, and in line with the objectives of Vision 2030.
