

# Isogent Appoints Co-Founder Pete Zamecnik as Chief Executive Officer

*Isogent appoints founding member Pete Zamecnik as CEO to lead the company into its next chapter of growth, innovation, and customer-focused IT services.*

DALLAS, TX, UNITED STATES, June 18, 2025 /EINPresswire.com/ -- [Isogent](#), a leading provider of managed [IT services](#) and cloud-based [technology](#) solutions headquartered in Plano, TX, is proud to announce that Pete Zamecnik, one of the company's original founders, has been named Chief Executive Officer (CEO).

Zamecnik co-founded Isogent in 2010 alongside partners Justin Wirpel and Glenham Heymans, playing an instrumental role in shaping the company's client-first culture, service

delivery model, and long-term strategic vision. His elevation to CEO marks a natural next chapter in Isogent's evolution—one built on continuity, clarity, and forward momentum.

“

I'm honored to lead the company I helped build. Our mission remains clear, help people with technology and drive meaningful results.”

“Pete has been at the heart of Isogent since day one,” said Justin Wirpel. “His leadership, insight, and commitment to innovation have helped build the strong foundation we stand on today. We're excited for what's next with him at the helm.”

In his new role, Zamecnik will focus on scaling Isogent's service portfolio, enhancing its cloud and cybersecurity offerings, and deepening client relationships nationwide, all while reinforcing the company's core promise: We help

people with technology.

"I'm honored to lead a company I've believed in from the beginning," said Zamecnik. "We have a talented, dedicated team and a clear mission. I'm excited to build on what we've started and continue driving real results for our clients and partners."
