

# The First & Largest AI Summit for the Travel Industry Returns in Partnership with TourRadar

*Reserve Your Early Bird Tickets Now for This Global Virtual Event on October 28-29, 2025*

TORONTO, CANADA, June 17, 2025 /EINPresswire.com/ -- The [Travel Trends Podcast](#), the world's leading B2B travel podcast, is proud to announce the return of their highly successful [AI Summit](#) for a groundbreaking second edition. This fully virtual global event will once again unite the brightest minds in travel and technology. Held in partnership with [TourRadar](#), the AI Summit will bring together industry leaders, tech innovators, entrepreneurs, and executives to showcase how AI is transforming every aspect of the travel industry.

Travel Trends AI Summit 2025

“We’re beyond excited to bring this pivotal event back,” said Dan Christian, host of the Travel Trends Podcast. “This year’s summit will offer real use cases and valuable insights and strategies to leverage AI for growth and innovation. We have put together an incredible lineup of speakers, including innovative startups, established enterprise leaders, and visionary thinkers who are redefining the future of travel.”

“

We’re thrilled to bring this event back - this year’s summit features real AI use cases, strategies, and visionary speakers reshaping the future of travel and driving innovation across the industry.”

*Dan Christian, host of the Travel Trends Podcast*

“It was an honor to be part of the inaugural Travel Trends AI Summit, and we’re thrilled to return in 2025 as the lead sponsor,” said Travis Pittman, Co-founder and CEO of TourRadar. “Since last year’s event, we’ve made tremendous progress in harnessing the power of AI - our latest Spring Release introduced smart tools and AI-

powered chat that are transforming how operators engage with travelers. I’m excited to return to

the keynote stage and share how TourRadar is driving the future of organized adventure and revolutionizing travel through technology, including our latest release TourRadar Moments.”

The summit will feature insightful keynotes, engaging panels, high-impact demos, and interactive sessions that showcase AI's latest advancements and applications in travel. Attendees will also have the opportunity to network during the demo day and exhibition, making it a can't-miss event for industry professionals.

**TICKETS:** Secure your early bird ticket now and benefit from a \$100 discount off the regular price. Limited tickets are available. Offer ends June 30th.

**SPEAKERS:** Our initial list of speakers has been announced and includes companies such as Microsoft, AMEX Ventures, MindTrip, Stripe, Hyper Nimbus, AskLayla, Sherpa, GuestOS, iWander and many more.

**SPONSORS:** We are thrilled to acknowledge the support of our sponsors.
