Montefusco, who has guided 18 clients to bestselling author status, is known for her ability to unlock powerful storytelling and help writers bring their message to life. Her workshop focuses on clarity, momentum, and professional-level writing tools that have changed the lives and careers of dozens of writers across the country.

In a special partnership, Dr. Rob Garcia, nationally known visibility strategist and founder of SHIFT Advanced Life Design Magazine, is offering a free PR package valued at nearly \$2,000 to anyone who registers for Montefusco's June workshop.

Participants who register will receive:

A paperback copy of Dr. Garcia's book *One Day Author*, which includes a complete system for self-publishing for free, media pitch templates, press release templates, and a 30-day Facebook marketing strategy.

A professional book review and cover feature in an upcoming issue of SHIFT Magazine, a \$650 value.

A 15-minute private consultation with Dr. Garcia to develop a full PR and marketing plan for their book, including a professionally written \$1,250 press release at no charge.

Montefusco's workshop is priced at just \$500, making it one of the most affordable and comprehensive author development programs in the industry. Compared to traditional publishing services — which can exceed \$12,000 and often claim a significant portion of royalties — her workshop provides faster results and long-term ownership for the author.

Writers ready to launch their book and brand should act quickly. Enrollment is limited, and Dr. Garcia's bonus package will only be available to those who submit proof of registration by June 30, 2025.
