

Wheaton, IL Family Law Firm Awards \$1,500 Resilient Student Scholarship

WHEATON, IL, UNITED STATES, June 19, 2025 /EINPresswire.com/ -- At Mirabella, Kincaid Frederick & Mirabella, LLC, we have built up a longstanding reputation as devoted advocates for families going through the trials and tribulations of divorce. To support children of divorced parents who have experienced extraordinary hardship, our firm has created the [Resilient Student Scholarship](#), awarding \$1,500 to one student per semester. After a thorough review, we are proud to announce the winner for the Spring 2025 semester, Peyton Hennig.

Peyton is a current junior at the University of Wisconsin-Madison and an aspiring law student. Despite the personal hardships and financial pressure she has faced, Peyton has maintained a 4.0 GPA while also working to cover her living expenses. She plans to support her family by pursuing a career in law, determined to succeed in the face of adversity.

Our goal in establishing the Resilient Student Scholarship is to encourage students dealing with difficult family issues to persevere in their studies. This scholarship is open to students with divorced or unmarried parents who are enrolled in an undergraduate degree program at an accredited school. All applicants must submit a 500-word essay, or a two-minute video essay, describing the hardships that they have endured in their family and how those hardships have shaped their future aspirations.

MKFM Law is currently accepting scholarship applications for the Fall 2025 semester. To be considered for the Resilient Student Scholarship, please submit your application before the final deadline of November 11, 2025.
