

AIROS Skyview Japan's Top Helicopter Booking Site Offers Mt. Fuji Transfers from ¥96,000/person until July 31 (20% Off)

A new route from Tokyo to Mt. Fuji via helicopter in as little as 35 minutes

CHIYODA-KU, TOKYO, JAPAN, June 20, 2025 /EINPresswire.com/ -- "AIROS Skyview" (Operated by AirX Inc. Based in Chiyoda Ward, Tokyo. CEO: Kiwamu Tezuka) has announced discounted helicopter flight plans from Tokyo to Fuji Oshino. The plans, usually priced at ¥360,000, will be discounted to ¥290,000 until July 31, 2025.

These flights run from Tokyo to Fuji Oshino Heliport near Mt. Fuji and take 35 minutes, offering a quick and comfortable route for travelers.

The flights have received praise for the views of Mt. Fuji from above and offer a way to avoid traffic, making them popular with high-net-worth individuals and foreign travelers.

□ About AIROS Skyview

"AIROS Skyview" is a popular choice for foreign travelers, especially those coming from the United States, as American citizens make up around 8 – 9% of foreign customers. The company receives an average of 15 reservations from Americans per month. As a recipient of the TripAdvisor Travelers' Choice 2024, AIROS Skyview has gained the trust of travelers and operates an English language website (<https://skyview.airos.us.com>). This allows customers with limited Japanese proficiency to use the site with peace of mind.
