"Our new song "Pain Of Losing You" was written by none other than the legendary songwriter Diane Warren...and it's a fun story of how it came about. We heard through our manager Andy Gould that Diane was a fan of Yachtley Crew and loves the genre yacht rock. When Andy was speaking with her about our upcoming album, *Seas The Night*, she told Andy that she had a song that she thought would be a perfect fit in the yacht rock genre and for Yachtley Crew to record as an original.

That's when we heard the song 'Pain Of Losing You' and we knew that we had to record it. Honestly, it's a dream come true to get to record a song written by someone as iconic as Diane Warren, and our producer Chris Lord-Alge knew exactly what to do to get it to sound like the

Crew.” Yachtley Crew

“It was a pleasure working on an “original” song with the band , thank you Diane for such a great one. From playing so many shows they are a fine-tuned machine and after learning the track it came together very quickly. Phillip is a great singer and really sold the song. Rob and Chaz built a great foundation while Tommy , Matt, Paul and Stoney brought all the flavors needed to make a fantastic song. They all sing and always have great ideas. It’s a pleasure producing all the Yachtley Crew music ! ” Chris Lord-Alge

“Pain of Losing You” is the 2nd single from Yachtley Crew’s upcoming album Seas The Night album and follows the release of the band’s cover of the Boz Scaggs classic “Lowdown”. “Lowdown is accompanied by a video that captures footage from some of Yachtley Crew’s sold-out international and U.S. shows. The band are fresh on the heels of an Australian tour and are currently on the 3rd leg of their 2025 Seas The Night tour, with dates scheduled through November, including their longstanding residency at KAOS at The Palms Casino & Resort in Las Vegas, NV.

Yachtley Crew is comprised of lead vocalist Phillip Daniel (Philly Ocean), drummer Rob Jones (Sailor Hawkins), bassist Chaz Ruiz (Baba Buoy), guitarist Thomas Gardner Jr. (Tommy Buoy), backing vocalist Curt Clendenin (Stoney Shores), saxophone/flutist Paul Pate (Pauly Shores) and keyboardist Matt Grossman (Matthew McDonald).

Diane Warren is one of modern music’s most celebrated songwriters. She was inducted into the Songwriters Hall of Fame in 2001 and received the prestigious Johnny Mercer Award from the organization in June 2024. Warren has received 16 Academy Award nominations, is a GRAMMY winner with 15 nominations, an EMMY winner, and is a two-time Golden Globe winner whose songs have been featured in more than 150 films.
