Convenient Eye Care for Less

“We're thrilled to introduce Stanton Optical to the Joplin community, providing accessible and budget-friendly eye care options for the whole family. For 18 years, Stanton Optical has been committed to making eye care easy and affordable for everyone, especially in these challenging economic times. By working directly with manufacturers and partnering with Physicians Eyecare Group, we ensure our customers receive the best prices on eye exams, glasses, and contact lenses without sacrificing quality. Recognizing that not all our customers have vision insurance, we strive to provide options that fit every

budget.”, said Daniel Stanton, founder and CEO of Stanton Optical.

You can book your visit or walk in for a same-day comprehensive eye exam; plus, thanks to our on-site labs, you can get [single-vision glasses](#) made the same day in as fast as 30 minutes. Offering convenient over-the-counter dry eye and conventional eye care solutions, Stanton

Optical is also easy on your budget, accepting vision insurance, FSA/HSA, and VSP out-of-network and offers special pricing for EyeMed, Medicaid, and Military families.□

□  
Our Spokes-bird□

In 2021, Stanton Optical introduced Stan the Penguin as its spokes-bird, highlighting its commitment to adaptability and community within the dynamic eye care industry. Penguins, known for their 'cool' appearance and strong family bonds, mirror Stanton Optical's dedication to providing exceptional eye care and building lasting customer relationships. The penguin, in essence, is also one of the most streamlined animals in the world, just like Stanton Optical works to make the process of getting prescription eyewear quick and easy by offering same-day eye exams and single-vision glasses as fast as 30 minutes.□

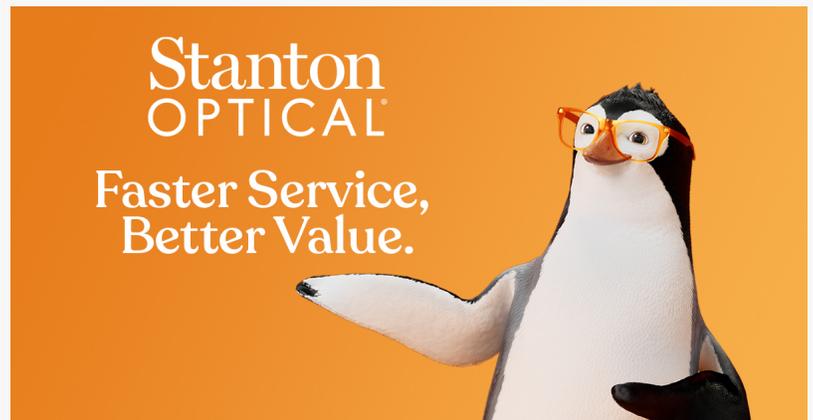

Consumer-Centric Services and Telehealth Innovation□□□

Stanton Optical is a growing retail brand under Now Optics and has partnered with Physicians Eyecare Group to provide patients with affordable quality eye exams through patented telehealth technology. Affiliated eye doctors have conducted more than 4 million telehealth eye exams to-date, making healthy eyes more accessible and enabling doctors to see more patients, something no other optical retailer can offer.□
