

# Barcelona Technology School and SNATIKA Forge Strategic Partnership to Launch Global Doctorate Programs

*SNATIKA and BTS launch 100% online, invitation-only doctorate programs for senior professionals across AI, Cybersecurity, Education & Business.*

MUMBAI, MAHARASHTRA, INDIA, June 18, 2025 /EINPresswire.com/ -- [Barcelona Technology School](#) (BTS) is proud to announce a strategic partnership with [SNATIKA](#), a global leader in flexible, assignment-based higher education, to deliver a portfolio of world-class Doctorate programs. This alliance marks a significant milestone in BTS's mission to expand access to high-quality, globally recognized doctoral education for experienced professionals and senior leaders worldwide.

Through this collaboration, a range of prestigious doctorate programs will be offered, including the Doctorate in Artificial Intelligence (D.AI), Doctorate in Cyber Security (D.CySec), Doctorate in Education (Ed.D), and the Doctor of Business Administration (DBA) with specialisations in Strategic Management, Human Resource Management, Project Management, Logistics & Supply Chain Management, and Tourism & Hospitality Management.

The partnership integrates BTS's academic excellence and leadership in digital innovation with SNATIKA's proven model of fully online, 100% assignment-based program delivery, offering learners a rigorous, flexible, and industry-relevant academic experience without the requirement for traditional examinations or on-campus attendance.

Barcelona Technology School, recognized globally for fostering digital leadership, continues to redefine education by merging academic excellence with real-world relevance. This collaboration reinforces BTS's commitment to empowering senior professionals to drive transformation, innovation, and strategic leadership across industries.

SNATIKA's reputation for delivering formal, flexible, assignment-driven degree programs perfectly
