*Join us for a day of friendly competition while also contributing towards an incredibly important cause - helping families and survivors of domestic violence.*

SAN DIEGO , CA, UNITED STATES, June 19, 2025 /EINPresswire.com/ -- Confronting Domestic Violence, a local non-profit organization dedicated to ending domestic violence, is hosting a community golf event at the Riverwalk Golf Course on July 14th. The event aims to raise awareness about domestic violence and support survivors through a day of fun and fundraising.

Founded from a personal experience of surviving a double attempted homicide while 8mos pregnant, over a thousand miles away from home, and with an 8-year-old daughter present is why our mission of providing real-time resources to real-time victims/survivors and offering relocation assistance when families have a safe place to go and not the means to get there, derives from such a passionate place.

The Event will feature a day of golfing, networking, and raising awareness. Participants will have the opportunity to play on the beautiful Riverwalk Golf Course while also learning about the impact domestic violence has and how they can help. All proceeds from the event will go towards supporting Confronting Domestic Violence's programs and services for survivors. [Join us on the green.](#)
