TEDxWilmington talk by Dr. Glenn Toby inspires global viewers with a message of resilience, discipline, and purpose.

ATLANTA, GA, UNITED STATES, June 20, 2025 /EINPresswire.com/ -- What if the worst day of your life held the secret to your destiny?

In his newly released TEDxWilmington talk titled “How to [Transform Trauma into Triumph](#),” humanitarian, author, and entertainment executive Dr. Glenn Toby shares a gripping story of personal loss and spiritual breakthrough. At just eight years old, he came home to find everything his family owned dumped on the street—his mother had lost her job, and their home was gone. That devastating moment became the spark that lit a fire of purpose, discipline, and service that defines his life’s work today.
