"We are thrilled to introduce our 12 Steps with a TWIST meetings to the community," says Victor Stewart, founder of New Life Recovery Center. "I am asked all the time what the "TWIST" is in our 12 Steps with a TWIST name. The "TWIST" is that we do not announce ourselves as drug addicts or alcoholics because the Bible says we are a "New Creation in Christ Jesus", and our "Higher Power" is unapologetically Jesus Christ. PERIOD. We are training soldiers for war. Our past lifestyles get us into places where most Christians b=never dare to tread, and we are called to reach the hurting, addicted people in those places."

New Life Recovery Center is at the helm of the 12 Steps with a TWIST meetings, and has plans to

open faith-based, long-term drug & alcohol treatment programs for men & women in 2025, along with sober living homes for after care. These long-term treatment programs will be [no cost/no insurance](#) so that any and all can come in and get the healing they need. These meetings are open to anyone struggling with addiction, regardless of their stage in recovery, or financial situation.

New Life Recovery Center is committed to providing quality and personalized care to individuals seeking help for addiction. With the introduction of the 12 Steps with a TWIST program, the center hopes to reach more individuals and make a positive impact in the community.
