

Canada's Next Gen AI Summit Announced for July 2025

VANCOUVER, BC, CANADA, June 20, 2025 /EINPresswire.com/ -- In a defining moment for Canada's artificial intelligence sector, the [Next Gen AI Summit](#), organized by [Cross Future Hub](#), will be held on July 18 and 19, 2025, at the Vancouver Marriott Pinnacle Downtown. This national-level summit will bring together globally recognized researchers, innovators, and decision-makers to explore the frontiers of artificial intelligence and its role in shaping the future of technology and society.

Key topics include next-generation [AI](#) models, edge computing, and human-machine interaction. The event aims to foster collaboration among academic institutions, technology companies, and innovative communities, ensuring responsible and inclusive development of AI.

Chaired by prominent figures in Canadian AI research—Sarath Chandar, Jun Jin, and Simon Yang—the summit promises high-caliber discussions and insights. Cross Future Hub, a nonprofit organization dedicated to ethical AI, aims to position Canada as a global leader in responsible AI.

CROSS FUTURE HUB
Next Gen AI Summit
July 18-19 2025
(VANCOUVER MARRIOTT PINNACLE DOWNTOWN)

We are thrilled to host a two-day AI event in Vancouver, showcasing the latest breakthroughs, innovations, and discussions shaping the future of artificial intelligence.

Topics of Discussion

- Next-Generation AI Models
- Edge AI Agents for Smart Devices
- Scaling AI Like a Cloud-Based Factory
- Human-Machine Interface

This Summit is chaired by:

Canada CIFAR AI Chair	Sarath Chandar
University of Alberta	Jun Jin
University of Guelph	Simon Yang

Our distinguished speaker lineup currently includes:

University of Washington	Natasha Jacques
University of Waterloo	Wenhui Chen
NYU	Ken Perlin
Georgia Institute of Technology	Animesh Garg
University of Manitoba	Chengzhou Yang
University of Montreal	Bang Liu
University of British Columbia	Li Xiaoxiao
Concordia University	Wang Yang
Allen Institute for AI (AI2)	Nousha Dattni
Google Cloud AI	Sercan Arık

Get Tickets Now! 

Through strategic events such as the Next Gen AI Summit, the organization promotes:

- Strong collaboration between universities, industry leaders, and public institutions
- Exploration of cutting-edge topics including spatial intelligence, generative models, and AI ethics
- Support for emerging researchers and the development of Canadian AI talent
- Public engagement through high-profile, nationally recognized initiatives

The Next Gen AI Summit represents more than a technical exchange. It is a platform for building a shared vision of Canada's role in global AI advancement. With a carefully curated program and a distinguished speaker lineup, the event is expected to draw attention from across sectors and borders.

Tickets are now available. For more information and registration, visit www.cross-future.com.
