On February 8, 2025, TravelingWiki engaged NFL titans Kellen Winslow Sr., Bryce Young, Eli Manning, among others.

The rapid growth surrounded engagement at Super Bowl LIX festivities on February 5, 2025 with Eric Ellenberger, Alumni Manager at Wounded Warrior Project, discussing the service of so many and TravelingWiki's goal to expand services for those with PTSD during their air travel. TravelingWiki had previously engaged Global Affairs Deputy Director, Wounded Warrior Project, Aleks Morosky. TravelingWiki Foundation's CEO, Jonathan Sutter, also spent time with NFL Star Michael Pittman Jr., discussing his charitable work supporting children, including to support those suffering from bullying, and the work of TravelingWiki to augment access to air travel for travelers of all ages.

The work recently arises after both Crunchbase and ZoomInfo have leveraged TravelingWiki's resources for profiles of organizations. Microsoft Bing highlighted TravelingWiki as one of the most "Recognized Brands and Resources" in its space as to Autism Travel & beyond, specifically also referencing "Fights for Children With Autism." This also occurs as TravelingWiki extends its Experiential Learning Program into 2026 in partnership with The Drake University College of Pharmacy & Health Sciences, including a presentation at Iowa State University. The recent months have also included interviewing for the 2026 Experiential Learning Program at Drake University. This is the second time in a matter of months that TravelingWiki Foundation has traveled to Ames, Iowa to present to Generation Z on these resources.

Part of the impetus of TravelingWiki's rapid growth initiatives, engaging directly with the next

generation of the workforce, is the opining of experts on Neurodiversity at CES that 53% of GenZ identifies as Neurodiverse. The work of TravelingWiki Foundation to document resources for Non Visible Disabilities at US airports, now exceeding 50 airports documented (including the Top 10 Busiest US airports), stems back to the start of TravelingWiki Foundation. TravelingWiki Foundation's non-profit work across the US expands upon prior work in Pennsylvania, including the recent addition of TravelingWiki Foundation's free resources in 12 languages to the Philadelphia Autism Project, in cooperation with Drexel University; and presenting at PNC Park with the Pittsburgh Pirates on June 22, 2024 and August 4, 2024 to promote Autism awareness and Special Needs awareness, respectively, via themed baseball games (coordinated via many organizations throughout Pennsylvania) that also raised money for local area charities.

The CEO of TravelingWiki Foundation, Jonathan Sutter, notes, "TravelingWiki's expected growth in 2025 is 400%, and TravelingWiki deeply values the extensive recent recognition, including focusing continuously on the needs of the 20M with Non Visible Disabilities we serve in the US."
