

Launch of ixCrypto Fixing EOD Indexes on 2 July

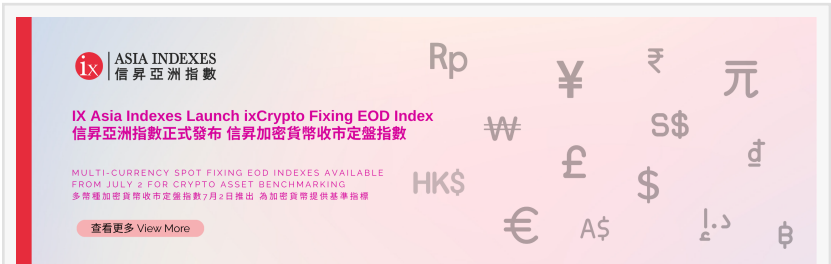

The ixCrypto Fixing EOD Indexes is a new extended benchmark solution designed to meet the growing demand for digital asset valuations in local currencies.

HONG KONG, June 23, 2025

/EINPresswire.com/ -- IX Asia Indexes, the index business arm of IX Capital International Limited, is pleased to announce the official launch of the [ixCrypto Fixing EOD Indexes](#)* on 2 July 2025, a new extended benchmark solution designed to meet the growing demand for digital asset valuations in local currencies across Asia. Prior to this, in March 2022, IX Asia Indexes introduced 13 USD-denominated [ixCrypto Spot Price Indexes](#), calculated as the average across 10 quarterly selected leading cryptocurrency exchanges to support fund managers' pricing needs.

This ixCrypto Fixing EOD Indexes launch marks a major expansion of IX Asia Indexes' offerings, delivering daily spot-fixed values for five major benchmarks—including the ixCrypto Index, ixBitcoin Index, ixEthereum Index, and the spot price indexes for Bitcoin & Ethereum. (See Image 1)

With increasing institutional and retail participation in digital assets across Asia, investors demand for benchmarks that reflect crypto market values in local currencies and at regionally relevant times. The ixCrypto Fixing EOD Indexes datapack is built precisely to serve that need—helping users to better assess digital asset performance in their domestic market context. By applying official exchange rates published by respective local monetary authorities against the U.S. dollar, the ixCrypto fixing EOD indexes provides a fair and standardized daily mark-to-market reference across 13 currencies, including HKD, JPY, KRW, TWD, VND, INR, IDR, AUD, AED,

About IX Asia Indexes and IX Index Advisory Committee

IX Capital International Limited is an award-winning index and investment advisory company. The index business arm- IX Asia Indexes, providing real-time digital asset and innovative indexes, disseminated 24x7 globally and built on robust infrastructure. Since the launch of the first crypto benchmark index (“IXCI”) launched in Hong Kong in December 2018, the ixCrypto index series expand into 29 indexes designed for exchange futures product, mark to market and fund managers’ portfolio construction purposes. To ensure the professionalism and impartiality of the index methodologies and operations, IX Asia Indexes has established its index advisory committee with representation from different industries, including fund management, exchanges, brokerage, financial blockchain experts, crypto service providers, etc. The committee will meet quarterly a year to discuss matters relating to the IX Asia Indexes, including to review and to comment the data sources, methodologies, and operations of IX Asia Indexes, to provide guidance to the future development of new IX Asia Indexes and to handle other issues and decisions on an as-needed basis.
