Definition:

Vegan Dessert comprises of plant based food products which concludes the meal or is often consumed in the end of the meal. The dessert is something which is sweet or cold in nature. Frozen Desserts, cakes & pastries, custards and puddings are some popular dessert foods. The growth of vegan culture which asks for avoidance of dairy based products has resulted in increasing demand for vegan dessert products which are sourced from plants and fruits. Growth of disposable income is another major factor driving the market of vegan dessert. Although
