

Pre-Orders Opened on June 24 for 1/6 Scale 'Devil May Cry V' Statues: Dante and Vergil

Prime 1 Studio announced 1/6 scale "Devil May Cry V" statues of Dante and Vergil. Pre-orders began June 24, 2025 (JST), with release set for December 2026.

ASAKUSA, TAITO-KU, TOKYO, JAPAN, June 25, 2025 /EINPresswire.com/ -- Prime 1 Studio has released 1/6 scale statues of Dante and Vergil from "Devil May Cry V" as part of the Concept Masterline series.

These statues capture the characters as they appeared in the game's ending sequence. Incorporating sculpting and paintwork techniques refined through the 1/4 scale "Devil May Cry" series, the figures deliver exceptional detail in a more compact display size. Dante's confident smile and twin handguns, Ebony & Ivory, along with Vergil's intense gaze and the Yamato sword, have all been faithfully recreated with photo-realistic precision.

Designed as companion pieces, the statues feature custom bases that can be connected, allowing collectors to display the brothers back-to-back in a shared battle-ready scene.

Bonus versions of each statue include an additional swappable portrait featuring a different expression.
