

TITANIC: THE ARTIFACT EXHIBITION Makes Its Canadian Debut

RMS Titanic Inc. Brings Real Titanic Artifacts to Toronto Beginning June 27

ATLANTA, GA, UNITED STATES, June 23, 2025 /EINPresswire.com/ -- This week, for the first time ever, Toronto audiences can experience the grandeur and unforgettable story of Titanic through TITANIC: The Artifact Exhibition, opening June 27 at YZD, located at 30 Hanover Road in Toronto.

This world-renowned exhibition, produced by Experiential Media Group (E/M Group) and RMS Titanic Inc. (RMST), is the exclusive presenter of real artifacts recovered from the wrecksite of RMS Titanic. Audiences will have the opportunity to step into history in this deeply immersive and poignant experience.

Having captivated more than 35 million visitors worldwide, the Exhibition combines hundreds of authentic artifacts, faithful room re-creations, and personal stories of passengers and crew to illuminate the human side of history's most iconic maritime tragedy. From a chef's toque to a third-class china plate, each object provides a tangible reminder of the lives lost or forever changed on the night of April 14, 1912.

"While the story of Titanic resonates around the world, Toronto holds a unique place in its legacy. We're excited to bring this powerful history to a new generation through artifacts recovered directly from the wrecksite and a unique immersive experience that highlights the meaningful connections between Toronto and this unforgettable voyage," said Tomasina Ray, President and Director of Collections of RMS Titanic Inc.

"After an incredibly successful run in Boston, we're excited to bring the Exhibition to Toronto. The Titanic story transcends borders and cultures, reminding us of the resilience of the human spirit. We are thrilled to continue bringing this timeless narrative and its authentic artifacts to audiences in Toronto, creating a profound and immersive experience that connects history with

the present,” said Kris Soder, CEO of E/M Group.

Visitors will walk the Ship of Dreams and encounter full-scale re-creations of the Grand Staircase, staterooms, and corridors. Each section of the Exhibition is thoughtfully curated to honor the ambition, hope, and humanity that define Titanic’s enduring legacy.
