Tiki Time: It's My Turn, Book Cover

Tiki is an honest, fun, and adventurous boy growing up in the village of TikiTown. He is full of integrity, but lately his behavior has been a little too rambunctious, and he needs guidance. Tiki meets a magical spirit who provides him with the advice he is seeking, and so much more.

“

'Tiki Time: It's My Turn' is a classic introduction to a superhero universe.”

The Children's Book Review

The evil King Lauia has stolen the sacred Toku mask and frozen the town. The spirit grants Tiki magical powers, sending him and his friends on a quest to save TikiTown. They must find the King, take back the Toku mask, and

return it, or the village will remain frozen forever. As they embark on a magical, time-traveling journey, they learn about building self-confidence, friendship, and the true meaning of

character.

"'Tiki Time' is a story that is very important to me," said Creator JJ. "As a young kid growing up, I remember the areas of behavior, building self-confidence, creating friendships, and developing character being essential lessons, especially during elementary school. It's a critical period for development in kids, so when I first dreamt up Tiki Time, I knew I wanted to mix in those important developmental topics."

'Tiki Time' is a first-of-its-kind adventure series for young readers, grades one through three, with behavior and development lessons integrated in a fun and magical way. The story serves as a valuable tool for parents and educators, as awareness of behavior and child development continues to grow.

The Children's Book Review has launched [a virtual awareness tour](#) to celebrate both the book and the premiere of its YouTube video.
