A COMPREHENSIVE APPROACH TO MODERN DIGITAL MARKETING

The course includes five core focus areas:

- Social Media Marketing: Learn to navigate Facebook, Instagram, X (formerly Twitter), and

LinkedIn with strategies grounded in content, behavior analysis, and community building.

- SEO (Search Engine Optimization): Master on-page, off-page, and technical SEO while understanding its intersection with content marketing.

- Content Marketing: Explore storytelling, blogs, podcasts, webinars, and ebooks to engage audiences and drive conversions.

- Online Advertising: Discover best practices for PPC, display ads, and paid social media campaigns with a focus on targeting, budgeting, and ROI.

- AI for Marketers: Leverage the latest AI tools to improve efficiency, personalization, and content creation.

Students will develop an original digital marketing plan that integrates strategy and tactics across all channels, preparing them for real-world success in a rapidly evolving industry.
