

# Tax Network USA Expands IRS Transcript Review Department Amid Increased Audit Activity

*Tax Network USA establishes specialized team focused on halting wage garnishments and negotiating relief for impacted individuals.*

LOS ANGELES, CA, UNITED STATES, June 25, 2025 /EINPresswire.com/ -- Tax Network USA has launched a dedicated

Garnishment Response Unit to help taxpayers quickly respond to wage garnishment actions initiated by the IRS. With garnishments becoming a more common enforcement tool, Tax Network USA intervention has become critical for individuals seeking immediate relief and long-term resolution.

The new unit is staffed with specialists trained in wage levy procedures, compliance protocols, and expedited negotiation strategies. [Tax Network USA clients](#) facing garnishment will now receive faster intake processing, direct engagement with IRS officers, and tailored solutions to stop wage withholding and restore income stability.

[Tax Network USA response](#) begins with a thorough review of IRS transcripts to confirm liability status and collection timelines. From there, the team works to establish compliance, submit financial documentation, and negotiate installment agreements or hardship status when appropriate.

In many cases, taxpayers are unaware of pending garnishments until their wages are already affected. Tax Network USA support ensures these situations are addressed immediately, with the goal of minimizing disruption and helping clients regain financial control.

[Tax Network USA commitment](#) to fast, informed action makes the new Garnishment Response Unit a valuable resource for individuals facing urgent IRS enforcement. This initiative underscores the firm's continued investment in high-impact services for those experiencing the most severe consequences of tax debt.
