Dr. Ariel Ourian

best-in-class cosmetic surgery practice in Beverly Hills, proudly announces new content focused on [liposuction](#) for Los Angeles county residents. Unwanted fat that does not respond to exercise and diet may be removed via surgery. Liposuction at a Beverly Hills clinic may help one to optimize one's body image.

"Different body types respond to exercise and certain foods differently. Sometimes an individual has done everything they can to be healthy and fit, yet certain pockets of fat are resistant to their efforts," stated Dr. Ariel Ourian, a double-board-certified plastic surgeon. "We

understand it can be frustrating to hard-working Los Angeles residents. Liposuction can be the extra technique the body needs to look its best."

The Los Angeles community can review the new post by Ourian Plastic Surgery about liposuction at (<https://www.ourianplasticsurgery.com/not-in-love-with-those-love-handles>). The clinic team believes in supporting patients throughout the liposuction surgery process. Initial discussions may include listening to the patient's goals and concerns. Dr. Ariel Ourian can conduct a comprehensive body assessment and advise an individual on the best approach to achieving their objectives. Ourian Plastic Surgery manages cosmetic solutions for stubborn fat and sagging skin issues. Treatments may include liposuction, body lift, tummy tuck, breast reduction, and facelifts. Individuals seeking liposuction in Los Angeles may have additional goals to enhance their appearance. The Ourian clinic offers surgical [procedures](#) for men, including gynecomastia correction, abdominal etching, pectoral implants, and male liposuction, in Beverly Hills.

Women can find options to improve an appearance via breast reconstruction, labiaplasty, vaginal

rejuvenation, butt lift and liposuction in Los Angeles.
