

Rentby Officially Launches in Texas and Oklahoma - Accelerating Hassle-Free Renting Across the Heartland

Rentby launches in TX & OK, offering a hassle-free, community-driven rental marketplace with verified listings and local support.

NORMAN, OK, UNITED STATES, June 24, 2025 /EINPresswire.com/ -- [Rentby](https://rentby.com/), the local rental marketplace offering a user-friendly and secure platform for rental transactions, is thrilled to

announce its official launch in Texas and Oklahoma. This significant milestone marks a key phase in Rentby's strategic rollout across the United States, establishing its rental experience for both renters and lenders in the region.

With this launch, residents of Texas and Oklahoma now have instant access to Rentby's unique rental marketplace, which features local listings, a user-friendly experience, verified users and listings, and exceptional customer service designed to empower the community in making confident rental decisions.

"The launch into Texas and Oklahoma marks our dedication to the local markets that we live and work in. Providing a reliable platform that simplifies the rental experience without the burden of ownership is something that we've envisaged for a long time," said a spokesperson for Rentby. "By connecting renters and lenders seamlessly, we are building a community of shared resources built on trust, security, and innovation."

This launch is just the beginning. Rentby is excited to continue its expansion with upcoming launches in Wyoming, Montana, Kansas, and Arkansas planned over the next few months. Additional states will be added throughout 2025 as part of Rentby's mission to be recognized nationwide as a premier rental solution.

As Rentby continues to grow, it remains committed to its core values of Accessibility, Trust, and Community. The app not only simplifies the rental process but also promotes a sense of community through reliable and supportive customer services, such as listing support and
