

Airalo and Global Nomad Pass Announce New Collaboration to Keep Travelers Connected Worldwide

New Benefit Gives GNP Members 20% Off Airalo eSIMs in Over 200 Countries

LEWES, DE, UNITED STATES, June 24, 2025 /EINPresswire.com/ -- Airalo, the world's leading eSIM provider, and Global Nomad Pass (GNP), the membership that rewards travelers for supporting local businesses around the world, are teaming up to solve one of modern travel's biggest frustrations: staying connected while on the move.

The graphic features a blue background with a white airplane flying towards a green island. A hand holds a smartphone displaying the Airalo app interface. Text on the graphic includes: "Get Connected the Moment You Land", "GNP Exclusive: 20% off Airalo", "airalo", "GLOBAL NOMAD PASS", and "Get 20% off your Airalo eSIM with Global Nomad Pass".

New Benefit Gives GNP Members 20% Off Airalo eSIMs in Over 200 Countries

Starting today, all Global Nomad Pass members receive 20% off any Airalo eSIM, unlocking seamless mobile data access in over 200 countries and regions worldwide.

“

Our members are curious travelers who explore often, across borders. Airalo has become an essential part of that experience and we're proud to make it even more accessible through this collaboration.”

Safir Jamal, CEO of Global Nomad Pass

Whether it's requesting a ride from the airport, checking into an Airbnb, or pulling up Google Maps to find the nearest café, connectivity should never be a barrier to exploration. With this new benefit, GNP members can install and activate Airalo eSIMs even before arriving, ensuring instant access the moment they land.

“No traveler should arrive in a new country and suddenly feel offline,” said Safir Jamal, CEO of Global Nomad Pass. “Our members are curious, globally-minded travelers who explore often and across borders. Airalo has become an essential part of that experience and we're proud to make it even more accessible through this collaboration.”

Trusted by over 20 million users, Airalo offers travelers a smarter way to stay online without the

hassle of physical SIM cards or surprise roaming fees. Users can browse, purchase, and activate data plans in minutes for both local and regional coverage.
