Acting as the exclusive financial advisor for VSA, Viper Partners leveraged its deep expertise in healthcare mergers and acquisitions to deliver a successful outcome in this high-impact transaction. This partnership represents a significant milestone for both organizations, solidifying StrideCare's expansion into new markets and reflecting the growing trend toward consolidation in the vascular and endovascular care sectors.

With over 40 years of clinical excellence, Vascular Surgery Associates boasts a strong presence in Virginia, delivering innovative vascular and endovascular treatments through its multiple Richmond-area locations. Known for its patient-first philosophy and exceptional outcomes, VSA brings a track record of quality care that aligns seamlessly with StrideCare's mission to deliver comprehensive vascular and lower extremity healthcare solutions nationwide.

According to Samir Qureshi, President of Viper Partners, "This transaction showcases the growing demand from healthcare practices for strategic alignments that enhance operational efficiency and clinical capabilities. By collaborating on business operations, scaling ambulatory surgery centers, and streamlining care delivery, practices like VSA can meet the needs of today's evolving healthcare landscape."

The healthcare investment banking sector continues to witness dynamic shifts, with private equity groups driving valuations higher for high-performing practice groups.

Strategic buyers are specifically seeking physician-led practices with both clinical distinction and operational scalability. This broader trend positions Viper Partners as a pivotal player in facilitating expansion opportunities, particularly within the vascular treatment sector.
