

'The Darleys: Rosie Finds a Home' – A Heartfelt Tale of Healing Through a Fluffy New Friend

A touching children's book about grief, hope, and the healing power of a little dog named Rosie—now available on Amazon.

CHIPOTLE ALTHA, FL, UNITED STATES, June 24, 2025 /EINPresswire.com/ -- In a world that often moves too fast, The Darleys: Rosie Finds a Home gently reminds readers that love doesn't always come when we expect it - sometimes, it comes when we need it most.

Written by Thomas Burnette, this beautifully illustrated picture book follows a family juggling life after loss

and the unexpected arrival of a tiny Cockapoo named Rosie who brings healing, joy, and a new sense of belonging. Inspired by true events from the author's own life, Rosie Finds a Home is more than a pet adoption story. It's a gentle exploration of grief, hope, and how love can return in the smallest of packages.

“

Love doesn't always look the way we plan. Sometimes, it curls up in your lap and falls asleep.”

Thomas Burnette

Perfect for children ages 4–10 and families navigating change, this touching tale encourages open conversations about emotions, adoption, and what it truly means to be part of a family.
