corner, one Texas-based outdoor living company is honoring the spirit of service in a powerful way—by transforming the homes of local heroes.

Zion Outdoors, a leader in concrete resurfacing and creator of the proprietary Gem-Scape system, is now accepting nominations for its next Walkways 4 Warriors project. The program awards free backyard or entryway

transformations to deserving veterans in the Dallas–Fort Worth, Austin, or San Antonio areas.

Walkways 4 Warriors has already made a lasting impact across Texas. Veterans have received custom resurfacing projects that turn unsafe, aging concrete into beautiful, usable spaces at no cost. Whether it's a cracked driveway, a faded patio, or a pool deck that's become hazardous, Zion Outdoors uses Gem-Scape to create safer, cooler, and more stunning outdoor surfaces without demolition.

“We want to feature someone this summer,” Winar added. “If you know a veteran who deserves this, now's the time to tell us.”

Nominations can be submitted at zionoutdoors.com/walkways-for-warriors.

Gem-Scape is a Texas-born concrete resurfacing system that transforms plain outdoor surfaces into elegant finishes that look like natural travertine, flagstone, or slate—all while staying cool under foot in the summer heat. The system is highly durable, low-maintenance, and customizable, making it ideal for patios, driveways, walkways, and pool decks.

Zion Outdoors has earned hundreds of 5-star reviews from homeowners across Texas, known not only for their craftsmanship, but for their commitment to community. The company's

Walkways 4 Warriors program is just one example of how they continue to serve.
