From Alameda, travelers can reach San Francisco via ferry, BART (<https://bart.gov>), or the Bay Bridge. The central location makes it an ideal choice for corporate travelers, medical professionals, and interns who need to be in the Bay Area but prefer a quieter, more suburban lifestyle.

Ballena Village is set right along the Alameda marina (<https://alamedamarina.net/>), offering peaceful views, walking paths, and Bay views. The property features furnished apartments with

one- and two-bedroom floor plans, all designed for comfort and long-term stays. July is a peak time for business travel, especially for professionals relocating, launching new roles, or handling mid-year projects. It’s also a time when European travelers often visit California for extended work or vacation visits. From Alameda, it’s easy to reach Silicon Valley, Berkeley, or Napa Valley for weekend trips, and guests can enjoy beautiful summer weather.

Ballena Village features spacious one- and two-bedroom furnished apartments designed for comfort and convenience.
