

Virtual Career Workshop Helps Job Seekers Navigate a Tough Market and Land Roles That Truly Fit

From Stuck to Unstoppable: Land the Job You Actually Want

GA, UNITED STATES, June 26, 2025 /EINPresswire.com/ -- Career strategist and leadership coach Raven Lee will host a free virtual webinar on Wednesday, July 23, 2025, at 1:00 PM EST, titled ["From Stuck to Unstoppable: Land the Job You Actually Want."](#) This high-impact session is designed for mid-level and senior professionals ready to regain momentum and confidently pursue leadership roles that reflect their experience, values, and ambitions—especially in a challenging job market.

While the national unemployment rate remains steady at 4.2%, the story for experienced professionals often looks very different. According to the U.S. Bureau of Labor Statistics, the average duration of unemployment now exceeds 21 weeks (about 5.5 months), with nearly 1 in 4 unemployed Americans out of work for six months or more. Mid-to-senior level candidates face longer, more frustrating searches—often submitting resumes with little to no response.

“

This webinar is for job seekers who's been sending resumes into a black hole and wondering if it's them. It's not. The market has shifted, but you can still stand out if you have the right strategy”
