Tree Services Global Market Report 2025

The global [tree services market](#) is expected to surge with impressive pace over the next decade, with the tree services market size slated to grow from \$1.3 billion in 2024 to \$1.49 billion in 2025,

marking a compound annual growth rate CAGR of 14.3%.

This remarkable ascension is a result of various driving factors ranging from an increasing emphasis on sustainability, rising demand for services necessary for storm recovery, and a boost in disposable income to growing government initiatives and the expansion of landscaping services in various regions across the globe.

What Is The Projected Future Growth Of The Tree Services Market Size?

The estimations indicate an increase to \$2.51 billion in

2029 at a steady CAGR of 13.9%. This considerable development during the forecast period stems from various factors such as increasing city expansion, intensified frequency of storms, growing spread of pests and diseases, municipal regulations, and booming real estate sector. The key trends in the forecast period encompassing innovation in tree care techniques and equipment, the escalating demand for green infrastructure, advancements in pruning tools, the incorporation of drones and other emergent technologies, and the mounting demand for tree health assessments further drive the growth of the market.

What Are The Key Drivers Propelling The Growth Of The Tree Services Market?

One key factor propelling the growth of the tree services market going forward is the expansion of the construction industry, an economic sector devoted to designing, planning, building, and maintaining infrastructure, buildings, and other structures. The rise in construction activities can be attributed to amplified demand for modernized facilities, urban expansion, and the pressing need to replace or upgrade aging infrastructure. With their crucial role in managing trees and vegetation during all stages of construction projects, tree services are instrumental in maintaining environmental compliance and ensuring impeccable site preparation.

What Key Player Strategies Are Driving The Tree Services Market?

The landscape of the tree services market comprises several key players including BrightView Holdings Inc., Davey Tree Expert Company, SavATree, U.S. Lawns Inc., FA Bartlett Tree Experts Co., Grounds Guys LLC, Timberline Tree Service, Evergreen Tree Care Inc., Jim's Trees SA, JL Tree Service, Tarzan Tree Removal, Eagle Tree Care LLC, Trav's Tree Services, All About Trees LLC, Sydney Tree Company, Tree Care Inc., Pacific Tree Care, Tree Masters Inc., Premier Tree Service Inc., Healthy Trees LLC, Greener Trees, Pro Tree Service, Top Notch Tree Care, Elite Tree Service.
