

Dr. Mohana Rao Patibandla (Dr Rao) Expands World-Class Neurosurgical Services to Vijayawada from July 4, 2025

Patients in Andhra's capital region can now access advanced brain, spine, and nerve care closer to home with OPD services by the founder of Dr. Rao's Hospital.

GUNTUR, ANDHRA PRADESH, INDIA, June 25, 2025 /EINPresswire.com/ -- In a move aimed at expanding access to specialized neurosurgical care in Andhra Pradesh, Dr. Mohana Rao Patibandla, acclaimed as one of the top neurosurgeons in India and founder of the renowned Dr. Rao's Hospital, will begin thrice weekly outpatient services (OPDs) in Vijayawada from July 4, 2025.

This strategic expansion makes it easier for patients in Krishna District and surrounding regions to consult with one of India's most experienced brain and spine surgeons, without requiring long-distance travel. Dr Rao is considered [the best neurosurgeon in India](#), [the best spine surgeon in India](#), and is awarded as the best minimally invasive neurosurgeon, spine surgeon, and endovascular neurosurgeon

Dr Rao the best neurosurgeon in the world

"We are committed to providing the highest standards of neurosurgical care in every corner of Andhra Pradesh. With this expansion to Vijayawada, we aim to reduce patient burden while offering safe, innovative, and evidence-based treatments," said Dr. Mohana Rao Patibandla.

Accessible Neurosurgical Excellence for Vijayawada

The Vijayawada OPD will provide:

Advanced brain and spine consultations

Second opinions on complex neurosurgical cases

Pre-operative and post-operative evaluations

Personalized treatment planning and counseling

Referral coordination for surgery at Dr. Rao's Hospital in Guntur

Dr. Mohana Rao Patibandla, trained in India and the United States (Ohio, Colorado, and Virginia), has performed over 10,000 neurosurgical procedures and is a pioneer in intraoperative neuromonitoring (IONM), endoscopic skull base surgery, awake craniotomies, and keyhole brain tumor surgery.

"This new clinic in Vijayawada is not just about expansion; it's about access, affordability, and advancing care for every patient in the region," Dr. Rao added.

SMART Goals of the Expansion
