CASTRIES, SAINT LUCIA, June 27, 2025 /EINPresswire.com/ -- Crystal Soleil, founder of Luxe Body Therapy in St. Lucia, shares her powerful near-death experience and spiritual awakening in the newly released anthology, [Whispers of the Soul: Stories of Resilience, Awakening, and the Power of Healing from Within](#). The book became an international #1 bestseller on June 21, 2025, ranking at the top spot in the United States, Canada, Germany, and Australia. It also secured the #1 Hot New Release position in multiple categories in both the U.S. and international markets.

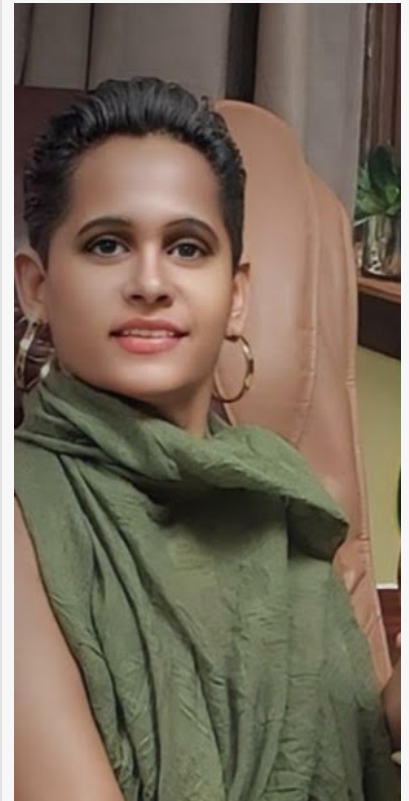

Soleil's chapter, "Awakening to My Life's Purpose," recounts the spiritual transformation that followed a life-threatening medical emergency during what was expected to be a routine dental procedure. Her story navigates the fine line between life and death, and how intuition, family traditions of healing, and divine guidance led her back to health—both physically and spiritually.

In her words: "These hands are now my tools to uplift others." That message—rooted in healing, energy, and sacred service—resonates through her work and the greater mission of the book.

[Whispers of the Soul](#) is the second anthology from [Life Changing Energy](#) and follows the success of its first book, [The Call Within](#). All proceeds from [Whispers of the Soul](#) support Brighter Healing Foundation, a 501(c)(3) nonprofit organization that advocates for whole body wellness, mind, body and spirit.
