

Club 78 Enhances Regulated Cannabis Access for Adult Consumers in Reseda

Offering in-store shopping, pickup services, and licensed California brands, Club 78 serves the Reseda community

RESEDA, CA, UNITED STATES, June 25, 2025 /EINPresswire.com/ -- [Club 78 Weed Dispensary](#) continues to provide regulated access to cannabis products in Reseda, California through in-store shopping and online ordering with pickup options. Located in the San Fernando Valley, the dispensary serves adult-use customers in compliance with California state and local regulations.

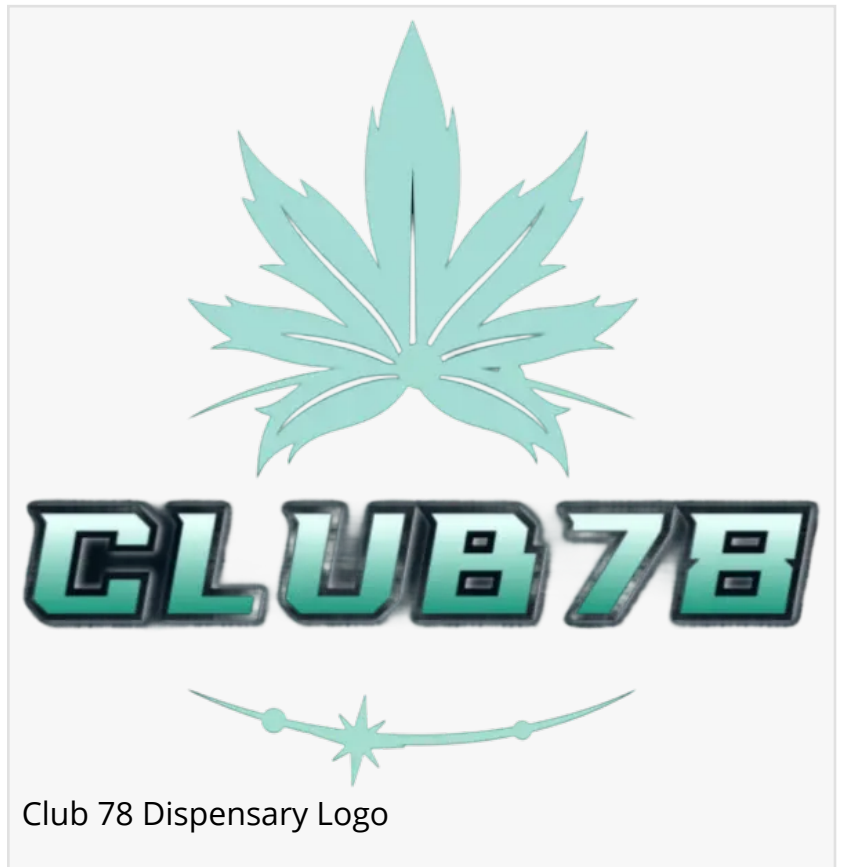

Open daily, this [weed dispensary in Reseda](#) offers customers the ability to browse products in-store or order online for pickup at their convenience.

The dispensary's operational model emphasizes access, transparency, and adherence to all requirements under the state's cannabis licensing system.

Club 78 stocks products from a variety of licensed California cannabis brands. These brands represent different categories and production methods within the regulated market, offering adult consumers a wide selection of products that meet labeling and testing standards.

Dr. Norm's provides cannabis-infused baked goods and edibles developed with standardized dosing and packaged in accordance with California regulations. The brand is known for offering items made with familiar ingredients and a focus on measured cannabinoid content.

Gelato, a brand featured at Club 78, offers a range of products that follow California's packaging and testing protocols. Known for its strong presence in the market, Gelato maintains consistency

in production and compliance practices across its product lines.

High 90s includes cannabis products that align with regulatory requirements for adult-use access and batch testing. The brand appears in dispensaries throughout the state and contributes to the variety of compliant product formats available at Club 78.

Kingpen supplies cannabis products manufactured in licensed facilities and tested for potency and safety. The brand's packaging and production methods adhere to California's cannabis standards and support customers seeking regulated cannabis formats.

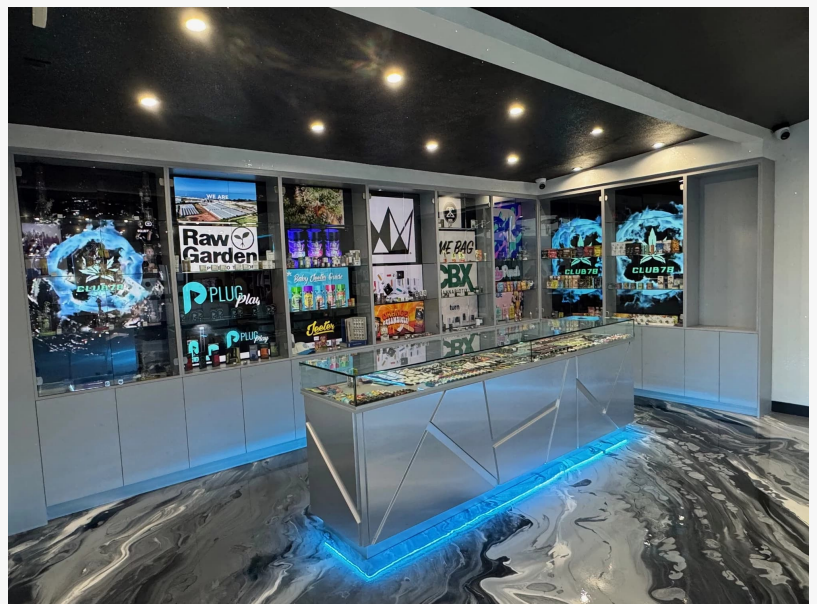

Pacific Stone, a California-based producer, is included in Club 78's offerings for its vertically integrated model. The brand maintains its own cultivation and production operations, supporting consistency across its retail distribution in the state.

Customers can place orders through Club 78's website to reserve products for same-day pickup, or they can visit the dispensary to browse and consult with staff in person. All transactions are conducted in compliance with state-mandated ID checks, point-of-sale tracking, and retail guidelines applicable to licensed cannabis operations.

Located in the Reseda neighborhood of Los Angeles, Club 78 is positioned to serve local residents as well as nearby communities in the San Fernando Valley. The dispensary's accessibility, combined with its range of licensed products and trained staff, supports a retail environment built around compliance and service.

Inventory at Club 78 is monitored using California's track-and-trace system, ensuring product origin, testing status, and movement are recorded at each stage. All cannabis products are sourced from licensed vendors and meet state requirements for adult-use sales.

The dispensary's staff are trained in cannabis retail operations, customer service, and regulatory protocols. They provide support for first-time visitors and returning customers, helping to ensure that purchases are made legally, safely, and with adequate product information.

As the legal cannabis market continues to develop across Los Angeles County, Club 78 remains part of the local infrastructure that enables safe and consistent access to regulated cannabis. By offering a range of licensed brands and service options tailored to customer preferences, the dispensary contributes to the broader goals of legal access and consumer education within the adult-use retail space.
