Senior Helpers Caregiver

Senior Helpers is known nationwide for its dependable, consistent, and affordable non-medical senior care services. The company's highly trained and rigorously screened caregivers are dedicated to providing compassionate care while preserving the dignity and independence of their clients. Senior Helpers is also nationally recognized as a top workplace for caregivers.

Nikki was inspired to open Senior Helpers of Santa Clarita after witnessing the growing need for quality, compassionate home care in her community. She saw a gap between what families needed and what was available, especially for aging adults who wish to remain safely in their homes. As a family-oriented individual, she understands the importance of trust and peace of mind when it comes to caring for loved ones.
