When it came time to select this year's recipient, Red River Renovations stood out as a reputable company in the home renovations industry. Known for its skilled, experienced and hardworking team, Red River Renovations has earned a strong reputation within the Frisco community, with glowing reviews from countless satisfied clients. Below are just a few of the many positive testimonials from clients who were highly impressed by Red River Renovations' communication and exceptional service:

"We had an excellent experience with Red River Renovations. Joe, Cody, and Ben were all very kind and respectful when working in our home. They were responsive when we had questions and even came back shortly after to fix a few minor details. We took out a wall, put in tile floors, cabinetry, paint, and redid our stairs and guest bathroom. All of it came out beautiful and we will use them again on future projects."

"RRR just re did our master shower due to a leak inside the walls that began to spread and created visible mold on the exterior of the walls. Joe gave us a very upfront and honest approach to the process, estimate and overall costs. The final cost was very close to the estimate. The team, Cody and Ben, were phenomenal. We're already in talks with them to redo the guest shower and bathroom!"

"Joe and his team did a great job on our office kitchen reno. I've used them for personal jobs too. He does a great job of scheduling so the job does not drag on and finished the job ahead of schedule. He is good at proactively communicating, which I've found to not be typical with other contractors I've worked with. Above all, the team cares about the quality of the work."

"This is the second and third project that Red River Renovations has done for me. The first project was a complete kitchen remodel and they just finished a total remodel of the guest bathroom and the master bathroom. They are true craftsman who turn out quality work. They do 90 - 95% of the work themselves so there are not a lot of unknown contractors in your house. They do only one project at a time so they are always on site, finish on time and actually come in on budget. I highly recommend these guys!"

The Red River Renovations team consistently goes above and beyond to ensure outstanding project results for every client.

The Quality Business Awards honour businesses that achieve an average quality score of 95% or higher over the previous year.
