

Tots to Teens Pediatric Dentistry & Orthodontics Launches FOREVERSMILE: A Lifetime Retainer Replacement Program

Innovative solution provides parents and teens across South Texas with peace of mind and smile protection for life.

SAN ANTONIO, TX, UNITED STATES, June 30, 2025 /EINPresswire.com/ -- Tots to Teens Pediatric Dentistry & Orthodontics—a trusted multi-location practice across San Antonio, Laredo, Kerrville, Lytle, and Rittiman—is proud to launch [FOREVERSMILE, a groundbreaking retainer assurance program](#) designed to simplify and safeguard the post-orthodontic journey for families.

Braces or aligners are only the beginning of a lasting smile. After treatment ends, retainers play a vital role in keeping teeth aligned. FOREVERSMILE removes the stress of this process by offering patients lifetime retainer coverage that's affordable, efficient, and digital-first.

"We created FOREVERSMILE to give families the freedom to focus on life—not lost retainers," said Dr. Joanna Ayala, Board-Certified Pediatric Dentist. "It's an extension of our promise to deliver lasting care."

Why It Matters

Retainers are essential to preserving the investment of orthodontic treatment. Yet, studies show that retainer loss and non-compliance are among the top reasons for orthodontic relapse—requiring further treatment down the road.

“Too many smiles shift because life happens,” added Dr. Kara Whittington, Pediatric Dentist. “FOREVERSMILE empowers parents to keep their children’s smiles intact for years to come—without breaking the bank.”

Designed for Busy Families

The program is ideal for working parents, active kids, and tech-savvy teens. By eliminating the need for in-office visits for new retainers, Tots to Teens is helping families across Kerrville, Medina, Bandera, Comfort, Mountain Home, Fredericksburg, and North San Antonio stay consistent with care—no matter how hectic life becomes.

It's orthodontic innovation that supports everyday life.
