

NEFT Vodka's Adam LZ Wins 2025 Formula DRIFT PRO Championship Round in New Jersey

LOS ANGELES, CA, UNITED STATES, June 26, 2025 /EINPresswire.com/ -- [NEFT Vodka](#), Official premium spirit Sponsor and proud supporter of top [Formula DRIFT](#) PRO drivers Matt Field, Adam LZ, and Chris Forsberg, celebrates their outstanding performances in the 2025 season's high-octane drifting Championship.

YouTube star Adam LZ continued his dominant form by clinching the win at Round 4 of the 2025 Formula DRIFT PRO Championship in New Jersey.

Driving his Drift HQ E36 BMW, LZ demolished tough competition, including a final battle against three-time champion Fredric Aasbo. With precision and control, LZ delivered a masterclass in drifting. The win bumped him from ninth to third in the championship standings.

Chris Forsberg and Matt Field have also showcased their skill and determination throughout the season, consistently scoring points and competing fiercely among the top ranks. Field currently sits seventh in the championship, while Forsberg remains a formidable competitor in ninth.

"I had so much fun driving here," said LZ after collecting his winner's trophy. "I wanted to put on a show and drive as hard as I could, but was trying to be logical and not push too hard, which paid off. The plan is to do the same thing in the next round. We've got good setup notes and I feel we're learning more about the car every time, so we'll try to keep the momentum going."

NEFT Vodka is the Official Spirit Sponsor of the 2025 Formula DRIFT PRO Championship, including key stops in Long Beach, Atlanta, Orlando, and the return to Long Beach in October. The brand's support of the series and these drivers brings fans closer to the thrill of drifting with exclusive behind-the-scenes access and immersive trackside experiences.

ABOUT NEFT VODKA:

NEFT was conceived in 2011 to shatter expectations about vodka in a category lacking premium options made with super-clean ingredients. NEFT is made from mountain spring water filtered centuries deep beneath the Austrian Alps and ancient grains of rye. Nothing else. No sugar, no additives. Hence, a vodka with a refined and sophisticated taste so delicious that it can be enjoyed neat, straight up, or on the rocks was created. NEFT's unbreakable barrel is an eco-friendly and versatile container that keeps the liquid cold for hours.
