

# World-Renowned BHRT Pioneer Dr. Khalid Shukri Joins Medi-Gyn to Redefine Hormone and Longevity Care

*With 40 years of experience in the field of Internal, Functional & Regenerative Medicine*

DUBAI, DUBAI, UNITED ARAB  
EMIRATES, June 26, 2025

/EINPresswire.com/ -- Medi-Gyn, Dubai's leading online Hormone Health Centre, is proud to announce our latest collaboration with Dr. Khalid Ahmad Shukri [LXV MD], a globally recognised authority in Bioidentical Hormone Therapy (BHRT), Functional, Regenerative and now Bio-Intelligent Medicine. As a newly appointed member of the Medi-Gyn Advisory Board, Dr. Shukri brings an unparalleled legacy of clinical excellence and innovation to support Medi-Gyn's mission of transforming hormonal and regenerative care.

This partnership isn't just a milestone – it's a meeting of minds, values, and long-term missions. Together, Medi-Gyn and Dr. Shukri are committed to preventative care and condition detection, reversing chronic conditions, and optimising hormone health through a powerful blend of advanced diagnostics, hormone, longevity science and quantum medicine.

“It is never too late to rediscover your health”

— Dr Khalid Shukri, a Bio-Intelligent, Functional and Regenerative Doctor

#### What This Means for Our Patients

As a result of this collaboration, Medi-Gyn now offers a more advanced array of therapies, including:

- BHRT & Peptide Therapies for hormonal balance and cellular rejuvenation
- Epigenetic & Hormonal Assessments for highly targeted, precision-based treatment
- Fertility Optimisation and Integrative Cancer Support
- Quantum-Integrated Therapies, including Q-Tropocollagen, for deep systemic healing

With Dr. Shukri onboard, Medi-Gyn is expanding its reach beyond Dubai—offering virtual consultations and online hormone health programmes that deliver global access to personalised, science-driven care.
