The Business Research Company

Driven by increasing data management requirements, enhanced workplace safety awareness, and growing environmental concerns, the Environmental Health and Safety EHS Software market size has grown significantly in recent years. The market is expected to rise from \$7.56 billion in 2024 to \$8.21 billion in 2025, marking a compound annual growth rate CAGR of 8.5%. Growth in this period can also be attributed to the necessity for compliance management and the growth of mobile accessibility.

“

It will grow to \$11.26 billion in 2029 at a compound annual growth rate (CAGR) of 8.2%.”
