

Foot & Ankle Centers: Three Decades of Exceptional Podiatric Care in New Jersey

For 30+ years, Foot & Ankle Centers offers expert foot & ankle care across 6 NJ locations, blending experience with advanced treatments.

NJ, UNITED STATES, June 26, 2025

/EINPresswire.com/ -- For over 30

years, Foot & Ankle Centers has been New Jersey's trusted leader in comprehensive foot and ankle health.

With six strategically located offices across Ewing, Flemington, East Windsor, Hamilton (Mercerville Rd and Olden Ave), and Somerset, the practice seamlessly blends a legacy of personalized care with cutting-edge medical advancements.

Foot and Ankle Centers

Dr. Dipan Patel, board-certified podiatric physician and surgeon, and Medical Director, underscores the practice's unwavering commitment: "Our mission has always been clear: to provide compassionate, expert podiatric care that is both accessible and highly effective. We combine decades of collective experience with modern treatment techniques to truly benefit our patients."

Our mission has always been clear: to provide compassionate, expert podiatric care. We combine decades of collective experience with modern treatment techniques to truly benefit our patients.”

Dr. Dipan Patel

Foot & Ankle Centers offers a full spectrum of [foot and ankle pain](#) solutions. From managing acute flares with their [gout treatment](#) and providing advanced [laser toenail fungus](#) therapy, to performing precise nonsurgical and surgical corrections for bunions and hammertoes, their team leverages extensive surgical residency training to deliver superior outcomes. They expertly address a wide

range of conditions, including sports injuries and diabetic foot complications, crafting customized treatment plans designed to restore mobility, alleviate pain, and significantly enhance quality of life.

The practice prides itself on offering a warm, patient-centric experience that harmonizes traditional care values with innovative medical science.

About Foot & Ankle Centers

Foot & Ankle Centers is a premier New Jersey-based podiatry provider. With a foundation built on over three decades of excellence, the practice operates six convenient locations, delivering full-spectrum foot and ankle care—from conservative management to advanced surgical interventions. Their team of board-certified specialists is dedicated to compassionate, modern treatment for patients of all ages.

About Dr. Dipan Patel, DPM, DABPM

Dr. Dipan Patel is the board-certified podiatric physician and surgeon who founded and serves as Medical Director of Foot & Ankle Centers. A graduate of the New York College of Podiatric Medicine (2011), he completed rigorous residencies in reconstructive ankle surgery and diabetic limb salvage. Dr. Patel brings specialized expertise in advanced laser procedures, sports medicine, and surgical correction of foot deformities, ensuring patients receive highly skilled, evidence-based care.
